

INVITE 200,000+ RVers TO YOUR BUSINESS AT NO COST

WRIGHTS FARM
GARDINER, NY

JOIN OUR 3,000+ BUSINESSES TO BOOST
REVENUE IN 2022 WITH HARVEST HOSTS

Harvest Hosts connects over 200,000 self-contained RVers to a network of thousands of small businesses ("Hosts"). Hosts simply offer RVers a one-night stay on their property, and, in return, RVers patronize the Host's business while spending the night. Our program is a **cost-free opportunity** and 100% of the money spent onsite goes straight to the Host. Our members spend millions of dollars each year while visiting Harvest Hosts locations and love to support small businesses.

Applying to become a Host is easy! The program is streamlined and entirely customizable to fit your needs. Hosts have the ability to accept or deny stay requests using SMS (text messaging) or email, control the number of RVs, and set blackout dates in addition to many other features. No hook-ups or services are required to host.

HOST TESTIMONIAL

"Harvest Hosts has been a tremendously beneficial partner. Registering to be a Host was a breeze and we have been booked solid almost every day for the past 6 months after joining. The guests are always very considerate and support our business and staff generously with purchases at our tasting room. Operating and managing the bookings is quick and easy, anyone on your team can do it."

-Jason Havens of Rusty Nickel Brewing
West Seneca, NY
